# EFFECTIVE TRANSITION TIPS BY

**WELLS  
FARGO**

- 1.** Take advantage of military hiring programs. Research different companies that are military-friendly and network.

- 2.** Wells Fargo has 14 different lines of Business or Divisions that hone into other skill sets outside of finance. The Business Execution Consultant role is the most diverse role in the company and the main responsibility is project management.

- 3.** Another resource that we offer outside our apprenticeship program is our Operation Stagecoach webcast. It is designed to help military members learn how to refine their resumes and strengthen their interviewing skills for a potential role at Wells Fargo.
