

ACP Presents: Whirlpool-What Might Surprise You About Working in Corporate America

On June 1st, ACP was joined by Whirlpool for an inside look at the company's culture and hiring strategies. Our Panelists were Navy Veteran Paul Dailey, who is the North America IT & Go To Market Manager; Army Reservist Todd Herrick, serving as the Export Operations Manager; and Air Force Veteran Alex Svetlev, working as the Data Science Manager & Direct-to-Consumer Digital Marketer. They discussed transition tips, different roles, and transferable skill sets. Here are the resources shared during the webinar.
